FIREWOOD

We sell dry logs from September - March.

We usually have bags of logs for sale in the main car park and anyone can take a bag for £4 or three bags for £10 and pay for these by putting money in the donation post.

In addition, we run a firewood club with sales held on Saturday mornings. To be fair to everyone, members of the firewood club are invited to firewood sales on a rotational basis. Invitations are sent out giving a date and time to collect the firewood and people are asked to confirm if they will be attending and whether they want one or two loads.

We bag all firewood ready for collection as this makes the sale run smoothly. Most people take bags although some people prefer that the logs are tipped into their trailer. We ask that empty bags are returned so we can recycle them.

The cost is £35/load for Wood members & £40/load for non-members.

We encourage people to pay in advance by BACS:

Bank:	Bank of Scotland
Account name:	Laide & Aultbea Community Woodland
Sort code:	80-06-87
Account no.	00439360

If you are unable to pay by BACS we will still accept cash (correct money if possible) or cheques which will be collected on the day of the sale.
